HAUMĀNA CAMPUS PARKING INFORMATION

Driving to school and parking on campus is a privilege. To earn this privilege, haumāna must have a valid driver's license and apply for and receive a KS Haumāna Parking decal. Parking is restricted to designated parking areas on campus and limited to 110 student parking stalls. Haumāna drivers are responsible for knowing and adhering to the rules and regulations for driving and parking on campus. Driving privileges may be suspended or revoked should haumāna fail to meet driving expectations. If this occurs, the student will be placed on the bottom of the waitlist and reissued a new permit, should a stall become available.

Approved haumāna drivers will receive a BLUE KSM Haumāna Parking decal with an assigned tag number. The decal will be placed inside the front windshield on the lower left corner of the driver's side, above any metal sun strip or visor tints.

All previously registered haumāna drivers do not need to reapply for a new parking pass. If haumāna are driving a different vehicle or vehicle information has changed, please resubmit an application with the new information. Students may register a maximum of two vehicles and both vehicles will have the same numbered parking decal. New drivers should complete the Haumāna Campus Parking Application and submit the completed form to the high school office to receive a parking decal *BEFORE* driving to campus. All drivers are required to attend a meeting to review campus driving & parking expectations, these will be schedule and communicated by Māhele Luna admin.

If you have any questions, please call (808) 572-3117.

Mahalo for your understanding and support,

Kaleo Pahukula, Hope Po'ō Māhele Luna

In accepting the privileges of driving and parking on Kamehameha Schools Maui Campus, I agree to abide by the following rules and regulations:

1. I will only park the registered vehicle(s) in the designated haumāna parking zone (Pauahilani parking lot). Parental excuses are not accepted for parking in other areas on campus. Parking in other areas (staff parking lot, gravel, or grass lots, etc.) without administrative approval, will result in a suspension of my driving privilege for a minimum of two weeks. Parking in a marked Handicap stall without proper placard will result in loss of driving privilege and may also result in a citation from Maui Police Department. Unauthorized, unknown, or unregistered vehicles may be subject to being towed off campus at the owner's expenses.
2. I understand that students do not have self-assigned stalls nor can I claim or "kapu" an individual stall.
3. Park within the lines and occupy only ONE stall.
4. I understand I need to **arrive on campus by 7:53 am** to be at my first class by 8 am. I understand at the beginning of each week, we will begin our school oli at 8 am.
5. I understand that **3 unexcused tardies to school** will result in a suspension of my driving privilege for a minimum of one week. **Upon my 5th unexcused tardy**, my driving privileges will be revoked and I will be placed at the bottom of the waitlist. I understand that traffic or dropping off a younger sibling is not an acceptable excuse and will not be counted as an excused tardy.

The decal needs to be clearly visible from the outside at all times while the vehicle is on campus. If I lose my decal or my vehicle has changed, I must request a temporary pass at High School office.
