GENERAL INFORMATION

Classes for grades 1-6, will be held from: Wednesday, June 12 – Friday, July 12, 2024

- Morning classes are 7:45 a.m. – 11:45 a.m.

Classes for grades 7-8 will be held from: Wednesday, June 12 – Friday, July 12, 2024

- Morning classes are from 7:45 a.m. – 11:45 a.m.
- All students attend morning piko and advisory from 7:45 a.m. – 8:10 a.m.
- 2-hour classes are scheduled from:
 - AM1: 8:10 a.m. – 9:45 a.m.
 - AM2: 10:10 a.m. – 11:45 a.m.

Classes for grades 9-12, will be held from: Monday, June 10 – Friday, July 19, 2024

- 4-hour classes are scheduled from: 7:35 a.m. – 11:45 a.m.
- 2-hour classes are scheduled from:
 - AM1 Morning classes are 7:35 a.m. – 9:30 a.m.
 - AM2 Morning classes are from 9:50 a.m. – 11:45 a.m.

The summer teaching staff is made-up of Kamehameha faculty, teachers from other private institutions, the State Department of Education, and mainland institutions. The average class size is approximately 20-24 students. Summer Aides assist instructors and escort classes.

The Summer School office is closed in observance of the following holidays:

- Tuesday, June 11: Kamehameha Day
- Thursday, July 4: Independence Day

KAMEHAMEHA SCHOOLS VISION

Within a generation of twenty-five years, we see a thriving lāhui where our learners achieve post-secondary educational success, enabling good life and career choices. We also envision that our learners will be grounded in Christian and Hawaiian values and will be leaders who contribute to their communities both locally and globally.

KAMEHAMEHA SCHOOLS MISSION

Kamehameha Schools' mission is to fulfill Pauahi's desire to create educational opportunities in perpetuity to improve the capacity and well-being of people of Hawaiian ancestry.

APPLICATION PROCESS

Online Summer School Admissions applications will become available beginning January 2, 2024 at www.ksbe.edu/admissions. The deadline to complete the application is February 15, 2024. For information please call 808-842-8800.

FINANCIAL AID

Online Summer School Financial Aid applications are done through FACTS. The application will become available beginning January 2, 2024 at <https://www.ksbe.edu/apply/financial-aid/summer-school>. The deadline to complete the application is February 15, 2024. For information please call 808-842-8800.

POLICY TO GIVE PREFERENCE TO HAWAIIAN APPLICANTS

Kamehameha Schools' policy is to give preference to applicants of Hawaiian ancestry to the extent permitted by law. If you would like to be considered under that policy, your Hawaiian ancestry must be verified by Kamehameha's Ho'oulu Verification Services. Please work directly with the Ho'oulu Verification Services staff to complete your ancestry determination as soon as possible and preferably no later than the application deadline of February 15, 2024. For more information please call Ho'oulu Verification Services at (808) 534-8080, or toll-free at 1-800-842-4682, then press 2. You may also check: www.ksbe.edu/datacenter for answers to frequently asked questions or to request a Hawaiian Ancestry Registry (HAR) form.

Where can I get help with my Summer School Admissions & Financial Aid application?

Kamehameha Schools Resource Centers (KSRC) serve and support families applying to Kamehameha Schools' campuses, programs, and scholarships. KSRC are family-friendly and conveniently located in Lihue, Kaua'i; Honolulu, Kāne'ohe, and Mā'ili, O'ahu; Wailuku, Maui; Kalama'ula, Moloka'i and West and East Hawai'i. Visit <https://apps.ksbe.edu/resourcecenters> for locations and hours of operation.

O'ahu Resource Center

Kawaiaha'o Plaza, 567 S. King Street, Suite 131
Monday through Friday, 7:30 a.m. – 4:30 p.m..
Tel. (808) 534-8080 or toll free at 1-800-842-IMUA (4682)
ksrc@ksbe.edu

Mā'ili Community Resource Center

87-790 Kulauku Street
Wai'anae, HI 96792
Monday – Friday from 8am to 4pm
Phone: (808) 843-9650

Windward Mall Resource Center

Windward Mall - Second Floor between Macy's and Le's Nail Studio
46-056 Kamehameha Hwy #M01
Kane'ohe, HI 96744
Monday – Friday 8am to 4pm
Phone: (808) 534-8780

PLEASE NOTE:

- Current KS students are given priority and offered advanced registration via Infinite Campus. Enrollment for non-KS students is based on the date your child’s application is submitted, and grade level/course availability. An incomplete application will delay your child’s enrollment. Course closures could occur during the timeframe in which your child’s application remains incomplete.
- KS reserves the right to cancel any class should enrollment fall below 15 students.

FOR CURRENT KS STUDENTS: ADMISSIONS & FINANCIAL AID APPLICATION INFORMATION

ADMISSIONS

You will need to apply through your Infinite Campus portal account. Registration windows will open at 8:00 a.m. on the first day and close at 4:00 p.m. on the last day of registration period.

HIGH SCHOOL APPLICANTS

Catalogs will be available online. Registration windows for Infinite Campus:

- Current grade 11 students: Tuesday, January 16 - Wednesday, January 17, 2024
- Current grade 10 students: Thursday, January 18 – Friday, January 19, 2024
- Current grade 9 students: Monday, January 22 – Tuesday, January 23, 2024

ELEMENTARY and MIDDLE SCHOOL APPLICANTS

Catalogs will be available online. Registration windows for Infinite Campus:

- Current grade 8 students: Monday, January 29 – Tuesday, January 30, 2024
- Current grades 7 students: Thursday, February 1 – Friday, February 2, 2024
- Current grades K-6 students: Monday, February 5 – Wednesday, February 7, 2024

FINANCIAL AID

Kamehameha students who are currently receiving financial aid for the 2023-2024 school year DO NOT need to complete a summer financial aid application. KS will notify parents in December 2023 regarding their eligibility for summer financial aid.

Kamehameha students who did not apply for financial aid for the 2023-2024 school year and would like to be considered for Summer School Financial Aid, will need to complete the [Summer School Financial Aid Application](#).

For questions, families may contact the KS Resource Center at (808) 534-8080 or call toll free at 1-800-842-4682, then press 2.

FOR NON-KS STUDENTS: ADMISSIONS & FINANCIAL AID APPLICATION INFORMATION

The online 2024 Summer School Admissions application will be available from January 2, 2024 through February 15, 2024 at www.ksbe.edu/admissions.

The online 2024 Summer School Financial Aid application will be available from January 2, 2024 through February 15, 2024 at <https://www.ksbe.edu/apply/financial-aid/summer-school>. You may apply for financial aid when you apply for Summer School. If you decide to apply for financial aid, you will be required to provide additional financial information. All required financial documentation must be submitted no later than the February 15, 2024 application deadline.

Students who are awarded Summer School financial aid and later decide not to attend Summer School must notify the Summer School Office immediately to allow waitlisted students the opportunity to enroll. Parents failing to inform the Summer School Office in a timely manner, prior to or by the start of Summer School, will be charged a withdrawal fee and be given lower priority when registering for future summer programs.

STUDENTS WITH DISABILITIES

The Americans with Disabilities Act, as amended, prohibits discrimination against individuals with physical or psychological disabilities. It is the policy of KS to make its programs, services, and activities accessible to a qualified person with a disability, unless there is a fundamental alteration in the nature of the program or service, undue hardship, or the student poses a direct threat to themselves, or to others. A “qualified person with a disability” refers to an individual with a disability who is otherwise qualified to participate in any given school, program, or activity.

COURSE CHANGES/WITHDRAWALS

This year students will be invited to summer school in two rounds. Invite letters will be sent via email to parent/guardians. The email will explain steps to complete registration, including enrollment form and tuition payment. Course change and withdrawal requests will be accepted during that time. After the identified payment deadline, a fee of \$50 will be charged for any course change or withdrawal requests. Full tuition is charged, without refund, for any withdrawal requests after June 7th, 4:00 p.m.

Invite Rounds	Invite letters emailed to parents/'ohana (Est. send date)	Signed form and payment due	Course change and withdrawal requests	Full tuition charged, no refunds after
Round 1	April 8, 2024	April 26, 2024, 4:00 p.m.	\$50 Fee after April 26, 2024, 4:00 p.m.	June 7, 2024, 4:00 p.m.
Round 2	May 6, 2024	May 24, 2024, 4:00 p.m.	\$50 Fee after May 24, 2024, 4:00 p.m.	June 7, 2024, 4:00 p.m.

The above fees will be charged on course changes and withdrawals and is NOT COVERED by financial aid. Early notification of your child's cancellation is requested so that spaces may be filled with waitlist students. Withdrawal requests must be submitted via [ONLINE FORM](#). All refunds will be processed in July 2024.

Course change requests are not guaranteed and are based on availability. Course change requests must be submitted via [ONLINE FORM](#).

PAYMENT- ALL STUDENTS

In April all registered students will receive a confirmation letter with payment instructions. Payment must be made through FACTS by Friday, April 26, 2024. Payment may be made from a savings or checking account. Credit cards are accepted and will be charged a service fee. A \$30 processing fee will be charged for any payment returned by the bank or financial institution. No payments will be accepted at the Summer School Office, or by phone.

ACADEMIC POLICIES

Student Evaluation and/or Credits

- I. Students in Grades 1 -6
Classes are for enrichment only. Credit is not awarded. Report cards and evaluations are not issued. Attendance is taken and a maximum of five (5) days absent, for any reason, is allowed.
- II. Students in Grades 7-8
Grades will be posted in Infinite Campus. Report cards will be mailed to a parent/legal guardian's home address if they do not have access to Infinite Campus. Students will receive letter grades of A-F for morning non-sports classes. Sports classes are graded as Pass/No Pass. Students' grades will be affected if they miss more than five days of school. Grades may not be issued to students missing six or more days of class. Classes are for enrichment only and credit is not awarded.
- III. Students in Grades 9-12
Grades will be posted in Infinite Campus. Students will receive credit for successful completion of a course (D- grade or better). Teachers' individual grading practices are outlined in their course summaries. Students exceeding three (3) days absent will not receive credit and may be disenrolled from Summer School.

Course Credits:

Credit courses are offered at an accelerated pace. Each day is the equivalent of approximately one-week of class instruction during the regular school year. Students who are absent more than three days will not receive credit or a grade for the course.

TRANSPORTATION

Shuttle Bus/Terminal Service

Grades K-6

There will be **no shuttle bus/terminal service for students in grades K-6**. Summer 2024 students not registered for country bus service will need to be dropped off and picked up before and after classes. Drop-off supervision begins at 6:45 a.m. Car pick-up begins at 11:45 a.m. Any students remaining past 12:30 p.m. will be taken to our onsite YMCA afterschool care for supervision. Once a student is checked in at YMCA, the family will automatically be charged a \$25 drop-in fee.

Grades 7-12

Students in grades 7-12 may be dropped off at the terminal and will be shuttled up to campus and dropped off at designated shuttle points for their grade level.

Student Drivers

Students driving to school must register with the High School Office, on the first day of school to obtain a parking permit. Drivers will need to produce a valid driver's license, safety check, registration, and no-fault insurance for the vehicle they are obtaining a parking permit for. All parking permits are kept on file with the KS Security Office. Student drivers are expected to observe all traffic signs and notices. Failure to comply will result in the loss of campus parking privileges.

Country Bus Service

Students residing in the Leeward, Windward, North Shore and Hawai'i Kai areas may request bus transportation service. Seats are limited. To register for bus service, please complete the transportation section on the application.

Bus Fees are \$150.00 one-way or \$300.00 round trip.

Bus cards are mailed with student schedules approximately seven days prior to the start of the summer session. Students must bring this card to school each day. Lost cards must be replaced the following day. Cards are issued at the respective Unit offices. A \$10 fee will be collected for each reissued card.

Students riding home on the country buses should not request afternoon courses since the buses depart campus at noon.

After a summer school application is submitted, changes to bus requests can be made through May 24, 2024 by emailing kapalamasummerschool@ksbe.edu. No changes will be allowed after the 24th so that rosters can be confirmed, and bus cards can be printed and mailed by May 30, 2024.

Country Bus Service

Buses pick up and drop off students at the bus stops listed below. NO ROUTE CHANGES, ALTERATIONS OR COURTESY STOPS ARE ALLOWED FOR THE SAFETY OF ALL OUR HAUMĀNA.

Departure times from campus are approximations.

Bus pick-up and drop-off locations are subject to slight changes prior to the start of Summer School.

Information will be provided in early June to ‘ohana of students who are confirmed as a bus rider.

ELEMENTARY SCHOOL PROGRAM - Entering Grades 1-6

KEIKI O KA 'ĀINA GR 1 Term: SS Period: AM1-AM2 KS00101

For students entering grade 1

Tuition: \$350

7:45a – 11:45a

Through reading, writing, math and a science focus, students will investigate the wao kanaka (lowlands to the shores) to explore their role as keiki o ka 'āina (children of the land). This course will incorporate themes of aloha 'āina (deep love and respect for the land and sea which gives us life), wai wai Hawai'i (traditional Hawaiian values), and learning from our kūpuna (ancestors).

AQUANAUTS, RACERS AND CREATORS GR 1 Term: SS Period: AM1-AM2 KS00105

For students entering grade 1

Tuition: \$350

7:45a – 11:45a

Through the incorporation of swimming, athletic interactive games, the arts, and social emotional learning, we've designed a dynamic summer school course that fosters a healthy environment for growth in all students. During the program, participants will develop power from within by discovering the ability to express oneself and healthy habits that will provide a thriving life. We'll be splish splashing and beach bashing...so come join us as we embark on an adventure of learning and fun! Students will spend every day swimming and outdoors, therefore sun protection, water bottles, and a snack are a must have from the first day of school.

NĀ MAKAHI'O NAHELE (FOREST EXPLORERS) GR 2 Term: SS Period: AM1-AM2 KS00203

For students entering grade 2

Tuition: \$350

7:45a – 11:45a

Hawai'i is amazing. It is the home to various ecosystems full of living things that are unique to the pae 'āina. Join us on a dynamic adventure as we explore the native plants and animals of the 'uka (uplands). Students will use science, math, and language arts, in fun and challenging ways to learn about their native land.

AQUANAUTS, RACERS AND CREATORS GR 2 Term: SS Period: AM1-AM2 KS00205

For students entering grade 2

Tuition: \$350

7:45a – 11:45a

Through the incorporation of swimming, athletic interactive games, the arts, and social emotional learning, we've designed a dynamic summer school course that fosters a healthy environment for growth in all students. During the program, participants will develop power from within by discovering the ability to express oneself and healthy habits that will provide a thriving life. We'll be splish splashing and beach bashing...so come join us as we embark on an adventure of learning and fun! Students will spend every day swimming and outdoors, therefore sun protection, water bottles, and a snack are a must have from the first day of school.

MO'OLELO & MELE OF POLYNESIA GR 3 Term: SS Period: AM1-AM2 KS00321

For students entering grade 3

Tuition: \$350

7:45a – 11:45a

Hawai'i's unique culture is influenced by its Polynesian roots and commitment to respect for people and nature. Students have an opportunity to explore Hawaii and Polynesia through mo'olelo, mele, and crafts.

MA KA HANA 'IKE (ONE LEARNS BY DOING) GR 3 Term: SS Period: AM1-AM2 KS00380

For students entering grade 3

Tuition: \$350

7:45a – 11:45a

Students will have an opportunity to Ma Ka Hana Ka 'Ike, or learn by doing. This course offers incoming third graders an opportunity to build on learning from second grade by enhancing their love of reading and passion for math! A daily third block in the haumāna's schedule provides for an engaging exploratory rotation.

KĀHUA GR 4 Term: SS Period: AM1-AM2 KS00400

For students entering grade 4

Tuition: \$350

7:45a – 11:45a

The "Kahua" course sets the foundation for rising fourth graders. Learning will build mathematical minds and develop strategies for effective reading and writing skills. To also ensure that creative learning takes place, the third block in haumāna's daily schedule provides for an engaging elective rotation.

KŪ'Ē GR 5 Term: SS Period: AM1-AM2 KS00510

For students entering grade 5

Tuition: \$350

7:45a – 11:45a

Entering fifth graders will review and apply reading and strategies in preparation for the school year. Haumāna will also learn key concepts to improve their essay and idea-based writing. Firming up 5th graders for math success through math games and thinking strategies for both fun and learning. And of course we want to provide time to move with our engaging elective rotation.

'ŌIWI STEAM GR 5 Term: SS Period: AM1-AM2 KS00560

For students entering grade 5

Tuition: \$350

7:45a – 11:45a

Stop buying food and learn how to grow it yourself by developing systems that work in any space. Revolutionize how your family eats by building an apparatus that helps you to grow your own food. Share your learning using technology by making learning fun for everyone.

KIA'I GR 6 Term: SS Period: AM1-AM2 KS00671

For students entering grade 6

Tuition: \$350

7:45a – 11:45a

Kia'i is a course designed to reinforce and strengthen the skills of 5th grade and prepare for a smooth transition to 6th. Working with a team of three teachers, students will receive instruction in reading, writing, and mathematics, as well as a rotational exploratory block that keeps students creatively thinking.

YMCA SUMMER A-Plus

For students in grade 1-6

Fee: \$716

11:45a - 5:30p

YMCA will be providing summer A-Plus programming. Information on their program and how to apply, will be sent via email in February. Limited space available.

- Program days/hours: June 12-July 12, M-F, 11:45a-5:30p
 - Holiday: July 4, 2024
- Lunch will be provided to students.
- Applications will be completed on the YMCA website in February 2024
- Financial aid (up to 60%) is available and is offered by the YMCA (not covered by KS financial aid)

MIDDLE SCHOOL PROGRAM – Entering Grades 7-8

ADVISORY

7:45a – 8:15a

No registration necessary

All students enrolled in the middle school summer program will begin each school day with morning advisory. Advisory is the cornerstone of a successful middle school model that is focused on developing meaningful relationships in a safe and nurturing environment in which each student’s academic and personal development is guided by an adult advocate. This approach ensures that every student is connected to at least one caring and responsible adult. In addition to building relationships, students learn key academic and social, emotional and civic skills and dispositions that will support school – and life – success.

PSAT PREP

For students entering grade 8

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00801

10:10a - 11:45a Term: SS Period: AM2 KS00801

This course is designed to assist students with developing the confidence for college readiness exams such as the PSAT in 8th grade as well as in high school. Students will learn and develop test-taking strategies and techniques, practice skills essential for the evidence-based reading and writing, and math sections of the test, and participate in practice tests.

MATHEMATICAL EXPRESSIONS & EQUATIONS

For students entering grades 7 or 8

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00725

10:10a - 11:45a Term: SS Period: AM2 KS00725

For enrichment only, not for advancement.

“Expressions & Equations” are foundations of mathematics that students will use all the way through college. This course is designed for students entering grade 7 or 8 and will provide true conceptual knowledge and real-world problem solving through instruction and small learning communities. In these small groups, students will be tasked to self-direct their own learning through active participation and collaboration.

MINDBENDERS, WORD GAMES & PUZZLE SOLVING Term: SS Period: AM2 KS00716

Level 1 – For students entering grade 7

Tuition: \$200

10:10a - 11:45a

MINDBENDERS, WORD GAMES & PUZZLE SOLVING Term: SS Period: AM1 KS00816

Level 2 – For students entering grade 8

Tuition: \$200

8:10a - 9:45a

Mind Benders is designed to develop problem-solving techniques and strategies in a fun and interesting environment. Students will be constantly required to develop perseverance and visualization in working through math problems and puzzles. For students who find enjoyment in patterns and logical explanations, figuring out the why and not just the how to, as well as making reasonable sense of Common Core concepts, this course is designed to challenge you. This course is not recommended for students in need of remedial instruction. Students who have strong Math skills to keep up with the pace of the course will benefit from this course. Homework will be assigned.

CREATIVE WRITING & STORYTELLING

For students entering grades 7 or 8

Tuition: \$200

8:10a - 9:45a

Term: SS Period: AM1 KS00703

10:10a - 11:45a

Term: SS Period: AM2 KS00703

Haunani-Kay Trask says in her book, "From a Native Daughter," "Our story remains unwritten. It rests within the culture, which is inseparable from the land. To know this is to know our history. To write this is to write of the land and the people who are born from her." In this course, students will learn how to bring their culture and experiences to life by sharing them through their stories. Students will explore the writing process and gain skills in self-editing and publishing. They will also continue to develop reading skills through both fiction short stories and nonfiction informational text.

HA'Ī 'ŌLELO: PUBLIC SPEAKING

For students entering grades 7 or 8

Tuition: \$200

8:10a - 9:45a

Term: SS Period: AM1 KS00827

10:10a - 11:45a

Term: SS Period: AM2 KS00827

This course focuses on public speaking in its different forms. Students will improve their peer-to-peer interactions, learn the basics of speech creation, appropriate showmanship, and overall confidence in public speaking. Students will read and analyze speeches of historical figures. At the end of the course students will be able to create a persuasive speech, highlight a person or product, perform a monologue, and be comfortable in a variety of social situations. Homework will be assigned.

‘ŌLELO HAWAI‘I FOUNDATIONS

For students entering grade 7

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00741

10:10a - 11:45a Term: SS Period: AM2 KS00741

Priority given to KSKMS new invitee 7th grade students

Students will be introduced to the Hawaiian language by learning the beginning foundations as well as develop an appreciation for their culture to further develop their ‘ōiwi identity. Activities will include learning mele, oli, grammar, vocabulary, and mo‘olelo. Students will focus on interpretive and presentational communication at a novice level.

E ‘IMI NA‘AUAO: GRADE 7 SUMMER SCIENCE LAB

For students entering grade 7

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00730

The Grade 7 Summer Science lab is a dynamic, introductory level course designed for students who wish to further engage in science. Through this course, students will gain a deeper understanding, appreciation, and sense of awareness of the natural world. Three major scientific units are explored in the course: Science Inquiry and Measurement, Biology of Ecosystems in the Ahupua‘a, and Engineering. Students will participate in a variety of daily activities including hands-on experiments, labs, computer research, and service learning opportunities in the māla (garden) work, lo‘i, and/or fishponds.

E ‘IMI NA‘AUAO: GRADE 8 SUMMER SCIENCE LAB

For students entering grade 8

Tuition: \$200

10:10a - 11:45a Term: SS Period: AM2 KS00831

The Grade 8 Summer Science lab builds upon skills learned in grade 7 life science and provides students an opportunity to dive deeper into the scientific method and engineering design. Students will learn how to conduct their own research, mini investigations and experiments. The summer will culminate with students presenting their own mini summer science fair project.

‘ĀINA ARTISTS

For students entering grade 7

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00780

10:10a - 11:45a Term: SS Period: AM2 KS00780

This course will explore ideas and definitions of ‘āina (land, that which feeds us) through a visual arts approach. Our guiding questions are: How have humans related with their natural environment throughout history? How has this been reflected in art? How does nature inspire art? How can our art proclaim our values about the earth and especially, our home here in Hawai‘i nei? Through in-class lessons, activities and a few outdoor activities, students will become familiar with art from Hawai‘i and around the world that deals with these themes. Students will also create personal projects that define and represent their own relationships to and understanding of the natural world. Additionally, students will gain an understanding of basic art concepts and be exposed to a variety of media including but not limited to: drawing, painting, and mixed-media.

SNEAKER MO‘OLELO

For students entering grade 8

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00803

10:10a - 11:45a Term: SS Period: AM2 KS00803

Students will combine skills found in social studies, English, art, and business as they journey through the design and creation of their own personal custom shoes. Students will learn the importance of storytelling, the history and mo‘olelo of the creative design process of the most popular shoes we see today. The course will culminate with students having the opportunity to tell their own personalized story through the design and presentation of their own custom shoes.

Note: Students taking this course will be required to provide a new, clean pair of white shoes to use for the final project of this course (Cost: Approximately \$50). More information will be provided upon enrollment.

HE ALI‘I KA ‘ĀINA: ‘ĀINA STEWARDSHIP

For students entering grade 7 or 8

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00860

10:10a - 11:45a Term: SS Period: AM2 KS00860

"He ali‘i ka ‘āina, he kauwa ke kanaka." The land is chief, man is it's servant. In this hands-on course, students will explore and deepen their connection with ‘āina. They will learn about native plants and the environment, and practice mālama ‘āina. They will take time to learn about issues impacting their ‘āina and take steps to understand how to become better stewards of their ‘āina.

SPORTS ACTIVITIES For students entering grade 7

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00750
10:10a - 11:45a Term: SS Period: AM2 KS00750

SPORTS ACTIVITIES For students entering grade 8

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00810
10:10a - 11:45a Term: SS Period: AM2 KS00810

Let's get moving this summer! Summer is a great time to fit in fitness. In this course, students will develop their growth mindset and how fitness can positively impact your everyday life. Students will engage in fitness enhancing activities, team sports, and cooperative games. Sports activities may include but are not limited to: pickleball, basketball, soccer, speedball, swimming, frisbee, and volleyball. An emphasis is placed on sportsmanship and an individual's contribution to team success.

PAPA MELE I: UKULELE & KANIKAPILA FUNDAMENTALS

For students entering grade 7 or 8

Tuition: \$200

8:10a - 9:45a Term: SS Period: AM1 KS00670

For students who enjoy singing and playing the 'ukulele. Students will develop their music and 'ukulele skills. Spontaneous music making, kanikapila style will be included as well as music from all of the Hawaiian Islands. In addition to learning how to play the songs, students will expand their knowledge about special places within their island home using inspiration from the song lyrics to guide research and discussion. No rehearsals outside of class time will be required.

PAPA MELE II: ADVANCED KANIKAPILA & SONG PRODUCTION

For students entering grade 7 or 8

Tuition: \$200

10:10a - 11:45a Term: SS Period: AM2 KS00754

Prerequisite: Students who have previously taken Papa Mele I or have previous experience playing the ukulele.

For students that already have some experience with playing the 'ukulele. Students will improve their music and 'ukulele skills through spontaneous music making, kanikapila style, with an emphasis on Traditional and Contemporary Hawaiian Music. Students will experience songwriting and composition of music. No rehearsals outside of class time will be required.

PAPA HULA

For students entering grades 7 or 8

Tuition \$200

8:10a - 9:45a Term: SS Period: AM1 KS00740

10:10a - 11:45a Term: SS Period: AM2 KS00740

In this course, students will learn basic skills, customs, traditions and mo'olelo of hula. 'Ōlelo Hawai'i (Hawaiian language) as it pertains to mele and hula will also be interwoven throughout the class. No rehearsals outside of class time will be required.

AFTERNOON ENRICHMENT

BASKETBALL SKILLS & IQ TRAINING Term: SS Period: AM3 KS00781

For students entering grades 7 or 8

Tuition \$200

11:45a - 3:30p

Basketball skills that instill core values of determination, mental toughness, and integrity in players. Participants will model excellence and understanding of work ethics while developing strong leadership skills. They will build fundamental skills and be exposed to different game concepts to help expand their IQ.

Lunch is provided. Student attendance will be tracked and the attendance policy applies (no more than 5 absences allowed).

HOLOHOLO KAPĀLAMA Term: SS Period: AM3 KS00782

For students entering grades 7 and 8

Tuition \$200

11:45a - 3:30p

Students will holoholo within the Kapālama Ahupua'a and experience traditional Hawaiian culture in modern day spaces with our community collaborators. Students will strengthen their Hawaiian identity while they learn about the Kapālama area and Hawaiian cultural practices, through food, mo'olelo, mālama 'āina and shoreline activities. Much of the course is delivered outdoors: in the ocean, in garden areas, in a commercial kitchen and other spaces.

The course will start and end on the KS Kapālama campus. Lunch is provided. Student attendance will be tracked and the attendance policy applies (no more than 5 absences allowed).

THE FOLLOWING PAGES CONTAIN COURSES
OFFERED ONLY TO CURRENT
KAMEHAMEHA KAPĀLAMA
HIGH SCHOOL STUDENTS

HIGH SCHOOL PROGRAM – Entering Grades 9 – 12

Summer school credit courses are offered at an accelerated pace, with each day being the equivalent of approximately a week of class during the regular school year. Students who are absent more than three days will not receive credit for the course.

****NOTE:** Summer School credits from other accredited programs need prior approval. An External Credit Request Form needs to be submitted to the Assistant Principal prior to enrolling in the course. Approved courses will be recorded on the student’s transcript. Students will still be required to carry six credits during the regular school year.

ENGLISH

INTRO TO ENGLISH 9 Term: SS Period: AM1 KS00928

Tuition: \$200.00

For students entering grade 9 only. (0.5 elective credit)

In-person; 7:35 a.m. - 9:30 a.m.

Prerequisite: Recommendation by English Department

This course is designed to supplement the regular English Program and may NOT be used to fulfill a required English course at any grade level. Students will learn a variety of techniques that reinforce basic reading and writing skills needed for English 9 and beyond. Emphasis will also be placed on reinforcing good study habits. Curriculum includes studying basic literacy genre such as short story, poetry, drama, and the novel, as well as learning special strategies, and approaches to literature. Enrichment activities include individual/group projects and games that encourage cooperative and collaborative learning.

THE PROCESS Term: SS Period: AM2 KS09997

Tuition: \$200.00

For students entering grade 10-12. (0.5 elective credit)

In-person; 9:50 a.m. - 11:45 a.m.

Prerequisite: None.

Did your curiosity just peak? What is the Process? It is really quite simple, reading and writing are both processes. This class is designed to help you better understand the process and pick up tips and strategies to make your experiences in reading and writing stronger. While this class does NOT fulfill the English requirement, it will make you a better reader and writer.

LANGUAGES

HAWAIIAN 1 Term: SS Period: AM1-AM2 KS00944

Tuition: \$400.00

In-person; 7:35 a.m. - 11:45 a.m. (1.0 credit)

Prerequisite: None

Hawaiian 1 emphasizes skills in listening, reading, writing, and speaking so that students can communicate effectively in various situations which range from exchanging greetings to providing information about themselves, family, friends, school, etc. Hawaiian culture is integrated throughout the course. It is recommended that students allow time each day for homework and conversational practice.

DC HAWAIIAN 1 ONLINE Term: SS Period: AM1-AM2 KS02282 *Tuition: \$400.00*
Dual Credit/Online; 7:35 a.m. - 11:45 a.m. (1.0 credit)
Prerequisite: Completion of Dual Credit KS paperwork is required.

Hawaiian 1 emphasizes skills in listening, reading, writing, and speaking so that students can communicate effectively in various situations which range from exchanging greetings to providing information about themselves, family, friends, school, etc. Hawaiian culture is integrated throughout the course. It is recommended that students allow time each day for homework and conversational practice. This is an online summer course which includes synchronous meetings as well as asynchronous work.

HAWAIIAN 2 Term: SS Period: AM1-AM2 KS00946 *Tuition: \$400.00*
In-person; 7:35 a.m. - 11:45 a.m. (1.0 credit)
Prerequisite: Hawaiian 1 with a C- grade or higher and teacher recommendation.

Hawaiian 2 continues to emphasize the four skill areas of listening, reading, speaking, and writing. Greater emphasis is placed on accuracy of pronunciation, expanding vocabulary and learning more complex grammatical structures in new situations that may be culturally relevant. It is recommended that students allow time each day after class for homework and conversational practice.

DC HAWAIIAN 2 ONLINE Term: SS Period: AM1-AM2 KS02283 *Tuition: \$400.00*
Dual Credit/Online; 7:35 a.m. - 11:45 a.m. (1.0 credit)
Prerequisite: Hawaiian 1 DC with a C- grade or higher and teacher recommendation.

Hawaiian 2 continues to emphasize the four skill areas of listening, reading, speaking, and writing. Greater emphasis is placed on accuracy of pronunciation, expanding vocabulary and learning more complex grammatical structures in new situations that may be culturally relevant. It is recommended that students allow time each day after class for homework and conversational practice. This is an online summer course which includes synchronous meetings as well as asynchronous work.

HAWAIIAN 3 Term: SS Period: AM1-AM2 KS00948 *Tuition: \$400.00*
In-person; 7:35 a.m. - 11:45 a.m. (1.0 credit)
Prerequisite: Hawaiian 2 with a B-grade or higher and teacher recommendation.

Using the strong foundation of their first two years of study, Hawaiian 3 students will focus on the development of strong oral skills. Most of the class work is conducted in Hawaiian. Daily oral requirements are expected of each student, mostly in the form of spoken presentations in front of the class or individually with the teacher. It is recommended that students allow time each day after class for homework and conversational practice.

PHYSICAL EDUCATION & HEALTH

DC PERSONAL HEALTH ONLINE Term: SS Period: AM1 or AM2 KS06262 Tuition: \$200.00

For students entering grades 9-10. (0.5 credit)

Dual Credit/Online; AM1: 7:35 a.m. - 9:30 a.m. or AM2: 9:50 a.m. - 11:45 a.m.

Prerequisite: Completion of Dual Credit KS paperwork is required.

This online Personal Health course is designed to assist each student to learn and practice the health concepts and skills needed to be health literate. These important concepts and skills will be developed through lectures, use of technology, role playing, small group work, discussion, presentations by community resource people as well as supplementary handouts and worksheets. The overall goal of the course is to enable students to meet the challenges that life may pose. This is an online summer course which includes synchronous daily check-ins.

MATHEMATICS

CORE ALGEBRA Term: SS Period: AM2 KS09681 Tuition: \$200.00

In-person; 9:50 a.m. - 11:45 a.m. (0.5 credit)

Prerequisite: For current Kamehameha students who have completed – Math 8 and KS teacher recommendation. Note: For KS students 10th grade and above, this course satisfies KS graduation credit and fulfills the prerequisite for entry to Algebra 1A.

This course is the first of a three-course Algebra sequence in the KS HS math program and is designed to include a review of real numbers and operations, properties of real numbers, absolute values and symbols. Other topics include the functional connectives “or” and “and”, estimation techniques, probability and odds, solving single variable linear equations and inequalities.

ALGEBRA 1B Term: SS Period: AM1 or AM2 KS00992 Tuition: \$200.00

In-person; AM1: 7:35 a.m. – 9:30 a.m. or AM2: 9:50 a.m. - 11:45 a.m. (0.5 credit)

Prerequisites: For current Kamehameha students who have completed Algebra 1A and a KS teacher recommendation. Due to the rapid pace of the course, only students with a strong desire and commitment should enroll. Note: For KS students, this course satisfies KS graduation credit and fulfills the prerequisite for entry to Geometry A.

This course develops student understanding of non-linear relationships and is the final course in Algebra I sequence. Topics include solving systems of linear equations and inequalities, exponents and exponential functions, quadratic equations and functions, polynomials and factoring, and rational equations and functions and radicals.

ALGEBRA 1B ONLINE Term: SS Period: AM1 or AM2 KS01285 *Tuition: \$200.00*

Online; AM1: 7:35 a.m. - 9:30 a.m. or AM2: 9:50 a.m. - 11:45 a.m. (0.5 credit)

Prerequisite: For current Kamehameha students who have completed Algebra 1A and a KS teacher recommendation. Due to the rapid pace of the course, only students with a strong desire and commitment should enroll. Note: For KS students, this course satisfies KS graduation credit and fulfills the prerequisite for entry to Geometry A.

This course develops student understanding of non-linear relationships and is the final course in Algebra I sequence. Topics include solving systems of linear equations and inequalities, exponents and exponential functions, quadratic equations and functions, polynomials and factoring, and rational equations and functions and radicals. This course will require online check-ins.

ALGEBRA 2B Term: SS Period: AM1 KS09907 *Tuition: \$200.00*

In-person; 7:35 a.m. - 9:30 a.m. (0.5 credit)

Prerequisite: For current Kamehameha students who have completed Algebra 2A and KS teacher recommendation. Due to the rapid pace of the course, only students with a strong desire and commitment should enroll. Note: For KS students, this course satisfies KS graduation credit and fulfills the prerequisite for entry to College Algebra/Trigonometry or Pre-Calculus.

This course covers ONLY the second semester of Algebra 2. This course – which colleges require of students who expect to enroll in physical or social sciences, engineering, or mathematics – begins with a brief review of Algebra 1. Topics covered are quadratics, polynomial functions, complex numbers, rational functions, exponential functions and an intro into logarithms. An introduction to function combinations and inverse functions are also explored.

SCIENCE

PHYSICS Term: SS Period: AM1-AM2 KS01166 *Tuition: \$400.00*

For students entering grades 9-12. (1.0 credit)

In-person; 7:35 a.m. - 11:45 a.m.

Prerequisite: Grade of C or higher in Algebra 1B.

This is an introductory physics course that is designed to strengthen scientific literacy and provide a broad overview of physics and its application in daily life. This is a laboratory course with a wide variety of “hands on” activities as well as mathematical problem solving. Students will dispel misconceptions and learn physics concepts such as the scientific method, motion, forces, energy, momentum, electricity, and waves, in addition to applying Algebra to the physics concepts. Notebook and scientific calculator required.

SUMMER SCIENCE INSTITUTE Term: SS Period: AM1-AM2 KS09679 Tuition: \$200.00
In-person; 7:35 a.m. - 11:45 a.m. (0.5 credit) THREE WEEKS IN JUNE (dates to be determined)
Prerequisite: This course is required for all students who are new to the HSR program and will be enrolled in HSR during the 2024-25 school year.

2024 INTRODUCTION TO SCIENTIFIC RESEARCH - Selected students will earn 0.5 Honor Science Research (HSR) credit in this introduction to the fundamentals of scientific research. Students will learn about scientific research methods and techniques, research ethics, and the importance of keeping a clear and detailed notebook. They will be introduced to basic research principles, developing a testable hypothesis, designing a project to test that hypothesis, analyzing the data, and presenting the findings in written and oral form. Significant figures, sources of error, and simple statistical tests (linear regression, t-tests) will be discussed. Students will learn to conduct literature searches for original and review journal articles. Scientific writing will be emphasized; i.e., how to write an abstract and the main sections of a scientific paper (introduction, materials and methods, results, discussion, and conclusion). The students will become familiar with basic laboratory procedures such as pipetting, sterile techniques, and how to use a hemocytometer. They will be instructed on mammalian cell culture, cytotoxicity, DNA extraction, and polymerase chain reaction (PCR). Various diverse topics in science (astronomy, environmental science, brain anatomy and function, etc.) will be described. Each student will identify an area of interest and begin developing a research project to be continued and completed in the HSR course during the coming school year. If possible, students will begin their projects in the summer.

SOCIAL STUDIES

HAWAIIAN HISTORY ONLINE Term: SS Period: AM1 KS03207 Tuition: \$200.00
For students entering grades 12 (0.5 credit)
Online; 7:35 a.m. - 9:30 a.m.

A primary goal of the Hawaiian History course is to have students understand how numerous historical circumstances people and events affected previous generations of Hawaiians and how these circumstances, people and events continue to influence their generation. The main focus of this course begins with the rise of the Kamehameha Pai'ea and continues through to our contemporary setting. Stressed throughout the course are efforts of numerous Hawaiian leaders to improve the standing of the Hawaiian nation for the Hawaiian people. Two related goals of the course are to encourage students to become involved in current issues and to be able to look at the world from both western and Hawaiian perspectives. This will enable students to seek opportunities for developing a better future for Hawai'i and Hawaiians. **Hawaiian History online students are required to attend a Zoom meeting on the first day of Summer School. The course work is asynchronous.** However, students earning a C- or below will be mandated to attend daily study hall sessions until all assignments are completed. Further details regarding attendance, expectations and grading will be shared on the first day of summer school.

HAWAIIAN HISTORY 'ELUA ONLINE Term: SS Period: AM2 KS03288 *Tuition: \$200.00*
For students entering grades 11. (0.5 credit)
Online; 9:50 a.m. - 11:45 a.m.

Hawaiian History 'Elua is a course designed to teach students about modern Hawai'i, western influence, and the political changes through the 21st century. Areas of study include the social, political, economic, and cultural developments of native Hawaiians. Class activities include reading, writing, researching, and developing critical thinking skills. **Hawaiian History online students are required to attend a Zoom meeting on the first day of Summer School. The course work is asynchronous.** However, students earning a C- or below will be mandated to attend daily study hall sessions until all assignments are completed. Further details regarding attendance, expectations and grading will be shared on the first day of school.

INTRO TO MICROECONOMICS Term: SS Period: AM1 or AM2 KS03271 *Tuition: \$200.00*
For students entering grades 11-12. (0.5 credit)
In-person; AM1: 7:35 a.m. - 9:30 a.m. or AM2: 9:50 a.m. - 11:45 a.m.

Economics is a semester survey course that introduces students to the basic microeconomic and macroeconomic concepts they will encounter in introductory college economics courses and throughout life. Economics is the study of choice. This course will assist the student in critically analyzing their own choices, the choices of consumers, the choices of producers and the choices of societies and governments at local, national and international levels. Each student should achieve a level of economic literacy sufficient to evaluate both current events and historical events in economic terms. Students will demonstrate and apply their understanding of economics by writing analysis papers and/or delivering oral presentations. Each analysis will be an application of economic principles and should demonstrate a comprehensive approach to economic problem solving by including a graphical analysis as well as intuitive verbal explanations. Some mathematical skills will be necessary.

US HISTORY Term: SS Period: AM1-AM2 KS00976 *Tuition: \$400.00*
For students entering grades 11-12. (1.0 credit)
In-person; 7:35 a.m. - 11:45 a.m.

This course emphasizes U.S. History in the 20th century. It combines a traditional approach of cause and effect relationships presented in chronological order with an interactive program of skill-oriented tasks. Students will increase skills in writing, reading, listening and speaking as they learn about the origins and development of America's government, economy, society and culture. To complement the text, students will be engaged in problem-solving activities in groups and other skill-oriented tasks that encourage use of multiple intelligences to view, touch, interpret and act out historical events. To ensure that students become future participants in the American political process, emphasis will be placed on understanding important features of the structure and function of government, and the awareness of current issues. A standard research term paper/project, with works cited, will enhance student's critical thinking and writing skills.

WORLD HISTORY Term: SS Period: AM1-AM2 KS00978

Tuition: \$400.00

For students entering grades 10-12. (1.0 credit)

In-person; 7:35 a.m. - 11:45 a.m.

World History is a record of the adventures of humankind, both the famous and the ordinary, throughout thousands of years. Emphasis is placed on major themes: political change and economic development, the influences of geography on cultures, the growth of science and technology, the effect of contact between people of various countries, and creativity in the arts. Students will examine these themes through reading, writing and hands-on activities.

SPEECH

CONFIDENT COMMUNICATION ONLINE Term: SS Period: AM2 KS02453 *Tuition: \$200.00*

For students entering grades 11-12. (0.5 credit)

Online; 9:50 a.m. - 11:45 a.m.

Prerequisite: None

This course is designed to continue to enhance and develop foundational communication skills: the ability to organize material appropriately for oral presentation, to communicate with clarity and confidence, to listen effectively and politely, and to develop a strong sense of self-assuredness when interacting with others. The course aims to provide participants with the tools, techniques, and strategies necessary to express themselves effectively, assertively, and confidently in various settings. Speaking experiences include informative speeches and persuasive speeches. An understanding of the communication process will be stressed to help students appreciate the mutual responsibilities of the speaker and listener in successful communication.

DC SPEECH COMMUNICATIONS ONLINE Term: SS Period: AM1 KS02404 *Tuition: \$200.00*

For students entering grades 9-10. (0.5 credit)

Online; 7:35 a.m. - 9:30 a.m.

Prerequisite: None. Completion of KS paperwork is required.

This course is designed to develop basic communication skills including the ability to think critically, research for speech information, organize material appropriately for oral presentation, communicate with clarity and confidence, and politely listen for understanding. Students will also gain an understanding of the communication process with an emphasis on the mutual responsibility of the speaker and the listener. Speaking experiences include informal activities as well as, introductory, impromptu and informative speeches.

SUMMER SCHOOL INTERNSHIP

INTERNSHIP PROGRAM KS08407 Term: SS Period: AM1-AM2 KS08407 Tuition: \$400.00

For students entering grades 11-12. (1.0 elective credit)

In-person; Times/location vary by site.

KS Kapālama interns contribute their gifts and skills to serve others in "real world" workplace and community environments. Interns will submit resumes, prepare and present an original proposal of voluntary work they will contribute over the summer, in exchange for the opportunity to learn from a professional mentor. Feedback from mentors will shape each intern's final grade, and students will have an opportunity to bolster their resume and professional portfolio, and earn a strong professional reference. While any rising junior or senior may register for this course, confirmation of individualized internship placements requires extra steps to be completed during the Spring '24 semester: 1) By Feb 2, 2024, interested students must send to the internship coordinator (Sally Nhomi, at sanhomi@ksbe.edu) an email with the subject line "Application for Summer School internship" and request a 1:1 meeting. 2) Each student will be assisted to prepare for, and scheduled for an internship application interview with a professional mentor, and finalize a work/learning plan for a summer internship project. Only students who have completed successful interviews with a mentor by March 15, 2024 will be confirmed for their summer school internship course. Please note: this is a fast-paced, full time, summer program requiring 80-100 hours of unpaid work and learning. There may be other non-credit summer internship opportunities with more flexible schedules, are free of cost to join, and/or offer hourly pay or stipends. To find out about internship options outside of KS Summer School, speak with a counselor or contact the internship coordinator at sanhomi@ksbe.edu.

TECHNOLOGY & BUSINESS

CONTEMPORARY HAWAIIAN CRAFTS Term: SS Period: AM1 or AM2 KS05328

For students entering grades 9-12. (0.5 elective credit)

Tuition: \$200.00

In-person; AM1: 7:35 a.m. - 9:30 a.m. or AM2: 9:50 a.m. - 11:45 a.m.

Prerequisite: None

This course is organized for haumana to develop knowledge and skills of craftsmanship and techniques used in Hawai'i today and yesterday. The cultural, historical, and spiritual significance of each project will be examined to promote and propitiate pride. Students will learn to gather, prepare, and create crafts from various materials such as: lauhala, shells, and bone. Personal safety is essential and emphasized while in the class as students work with hand and power tools.

INDUSTRIAL CRAFT EXPLORATION Term: SS Period: AM1 or AM2 KS09682 Tuition: \$200.00

For students entering grades 9-12. (0.5 elective credit)

In-person; AM1: 7:35 a.m. - 9:30 a.m. OR AM2: 9:50 a.m. - 11:45 a.m.

Prerequisite: None

This hands-on class is designed for the student who would like to explore the various courses in the technology field. Students will create projects with different materials such as leather, plastic, wood, and metal. Students will also have the opportunity to explore some basic shop course concepts through exercises and lab activities.

In partnership with HAWAI'I PACIFIC HEALTH:

NURSE AIDE PROGRAM (ACUTE CARE) Term: SS Period: AM1-AM2 KS09686 Tuition: \$400.00

For students entering grades 11-12. (1.0 elective credit)

In-person; 7:35 a.m. - 11:45 a.m.

Nurse Aides assist nurses and other health care professionals in the care and treatment of patients. They are involved in the patient's care and assist in the patient's activities of daily living. They perform basic duties that include assisting with duties related to admission, discharge, and transfer of patients, patient mobility, repositioning, and vital signs. Closed toe shoes are required to participate. This course will be held in person, on campus with an instructor from Hawai'i Pacific Health. At the end of this course, students will receive a Nurse Aide Certificate through Hawai'i Pacific Health and be eligible for hospital employment.

Please continue reading below for summer school options offered through [Arizona State University Prep Digital](#) and [Global Online Academy](#). These courses require a unique commitment and special expectations that should be understood BEFORE enrolling in these online courses.

SUMMER 2024 DIGITAL LEARNING OPPORTUNITIES

<https://blogs.ksbe.edu/kskhsdigital/>

KS Digital Online Courses offer choice, flexibility, and personalization for KS students to earn course credits through online learning with highly qualified educators from external partners who specialize in digital education. Summer courses are offered at an accelerated pace, with each day being the equivalent of approximately a week of class during the regular school year. Due to the fast-paced nature of these courses, **students may take only one summer online course (up to 1.0 credit).**

Dates for KS Digital Online Summer Courses differ from the in-person courses offered during the Kamehameha Schools Kapālama Summer School session. Session dates of courses offered by external partners vary by institution. Please see below for session dates by vendor:

- **Arizona State University Prep Digital** (ASUPD) courses will run:
 - Session 1: **June 5 - June 28, 2024**
 - Session 2: **July 3 - July 26, 2024**
- **Global Online Academy** (GOA) courses will run from **June 17 - August 2, 2024**

Eligible Students

KS Digital Online courses will be available to current rising grade 9-12 KSK students in good academic standing and who exhibit traits to be successful in an online learning environment. New invitees will not be eligible at this time. ***Participation in online courses is optional.***

Expectations for KS Digital Online Courses

Digital online learning requires a unique commitment and special expectations that should be understood BEFORE enrolling in an online course. Those expectations include:

- Access to stable, high-speed internet connection
- Access to a microphone AND webcam
- Ability to manage technology independently
- Ability to manage work and time independently
- Currently in good conduct and academic standing, including a minimum 3.0 GPA (**unweighted**)
- Ability to engage in BOTH the synchronous AND asynchronous components of the course.

‘Ohana are also expected to commit to the success of their child by:

- Designating a quiet space for learning during summer sessions
- Providing general school supplies and required learning materials

External Partners

We have partnered with two leaders in online learning for high schoolers:

1. [Arizona State University Prep Digital](#) - ASUPD is an accredited K-12 online school and part of Arizona State University.
2. [Global Online Academy](#) - GOA courses are designed, developed and taught by teachers from member schools around the globe and meet the rigor and high quality for which these schools are well-known.

While some classes will be taught by external providers, credit for select courses will be awarded by Kamehameha Schools.

Online Course Structure

KS Digital Online Courses offered via external partners in the summer are accelerated courses, so students should expect to put in about 15-20 hours of work a week in a course. Coursework is mostly asynchronous in nature. Synchronous components that students are required to attend could include: orientation meetings, discussion based assessments, group planning sessions, or weekly check-ins. Students will have the flexibility to sign-up for times according to their availability. See course descriptions below for details of required synchronous components. ***Students earning a C- or below will be mandated to attend Zoom check-ins with a Digital Learning Office Support Kumu until the grade improves.***

Adding/Dropping a Course from an external partner

Students enrolled in a course from an external partner must adhere to the external partner's "add/drop" dates. Please see the KSK HS Digital website at blogs.ksbe.edu/kskhsdigital/ for deadlines. Failure to adhere to add/drop deadlines will result in an "F" grade for the course, and the student may be prohibited from enrolling in future online course offerings.

Non-Completion/Failure of a Course from an external partner

Students should do their best to pass all courses. Non-Completion of a course or an "F" grade in a course could result in the following consequences: an "F" on KSK high school transcript, impact to KSK

graduation if failure is in a required course, ineligibility to retake the same course in an online setting, or impact of eligibility to enroll in future online courses.

If you have any questions about our KS digital online offerings, please email Zandra Ah Choy-Agusen, our Digital Coordinator, at kskhsdigital@ksbe.edu or visit our KSK HS Digital website at blogs.ksbe.edu/kskhsdigital/.

ARIZONA STATE UNIVERSITY PREP DIGITAL ONLINE COURSES

BIOLOGY A ONLINE (Semester 1) Term: ASU1 or ASU2 Period: AM1-AM2 KS07010

Term: ASU1 **June 5 - June 28**

Tuition: \$200.00

Term: ASU2 **July 3 - July 26**

For students entering grades 9-12. Online (0.5 credit)

Note: Students must complete both Biology A & B Online within one calendar year to earn 1.0 credit of KS science graduation requirement.

BIOLOGY B ONLINE (Semester 2) Term: ASU2 Period: AM1-AM2 KS07011

Tuition: \$200.00

Term: ASU2 **July 3 - July 26**

For students entering grades 9-12. Online. (0.5 credit)

Prerequisite: Completion of Biology A Online.

Note: Students must complete both Biology A & B Online within one calendar year to earn 1.0 credit of KS science graduation requirement.

This course allows students to learn about living organisms, including humans, and their interactions with each other and their surroundings. This includes investigations regarding the health of human beings, animals, organisms, and entire ecosystems. Students will learn how the advances in the study of biology impact society and each of us as individuals and, in turn, how we each have an impact on the organisms and environment around us. Ultimately and ideally, this will culminate in a newfound appreciation for the interdependence of life on Earth. ***This online course is offered via ASU Prep Digital. While coursework is completed asynchronously, students must complete two synchronous discussion based assessments and one semester exam per segment.***

CHEMISTRY A ONLINE (Semester 1) Term: ASU1 or ASU2 Period: AM1-AM2 KS07012

Term 1: ASU1 **June 5 - June 28**

Tuition: \$200.00

Term 2: ASU2 **July 3 - July 26**

For students entering grades 10-12. Online (0.5 credit)

Prerequisite: C or better in Algebra 1B and completion of Biology, Honors Biology or recommendation from prior science teacher.

Note: Students must complete both Chemistry A & B Online within one calendar year to earn 1.0 credit of KS science graduation requirement.

CHEMISTRY B ONLINE (Semester 2) Term: ASU2 Period: AM1-AM2 KS07013 Tuition: \$200.00

Term: ASU2 **July 3 - July 26**

For students entering grades 10-12. Online (0.5 credit)

Prerequisite: C or better in Algebra 1B and completion of Biology, Honors Biology or recommendation from prior science teacher **AND** completion of Chemistry A Online.

Note: Students must complete both Chemistry A & B Online within one calendar year to earn 1.0 credit of KS science graduation requirement.

In this course, students will investigate the chemistry around them: in medicine they take, services they use, and the food they eat. Each of the key topics covered is brought together under the umbrella of geohealth: the study of human health in the context of ecology, environmental science, climate change, agriculture, waste and water management, and diseases. The course is taught through real world case studies, where students take on the role of a chemist working with a team of experts to investigate medical or environmental issues. In these case studies, students learn about topics like atomic structure, phases of matter, stoichiometry, and thermodynamics in scenario-based learning where they complete projects that require critical thinking, making and testing predictions, application, and synthesizing multiple concepts to succeed. ***This online course is offered via ASU Prep Digital. While coursework is completed asynchronously, students must complete two synchronous discussion based assessments and one semester exam per segment.***

GEOMETRY A/B ONLINE Term: ASU1-ASU2 Period: AM1-AM2 KS07014 Tuition: \$400.00

Term: ASU1-ASU2 **June 5 - July 26**

For current Kamehameha students entering grades 10-12 who have completed Algebra 1B and KS teacher recommendation. Grade 9 KS students may NOT enroll in this course for graduation credit. Due to the rapid pace of this course, only students with a strong desire and commitment should enroll. Online (1.0 credit)

For KS students 10th grade and above, this course satisfies KS graduation credit and fulfills the prerequisites for entry to Algebra 2A. This course covers both semesters of Geometry. Included in this course is a study of both two and three-dimensional shapes, congruence, similarity, transformations and the relationships between geometric shapes. Students will develop mathematical knowledge that will increase their ability to communicate and reason with mathematical concepts. This course offers a solid foundation for further study of mathematical relationships. ***This online course is offered via ASU Prep Digital. While coursework is completed asynchronously, students must complete four synchronous discussion based assessments and two semester exams.***

PERSONAL HEALTH ONLINE Term: ASU1 Period: AM1-AM2 KS06252 Tuition: \$200.00

Term: ASU1 **June 5 - June 28**

For students entering grades 9-10. Online. (0.5 credit)

This comprehensive health course provides students with essential knowledge and decision-making skills for a healthy lifestyle. Students will analyze aspects of emotional, social, and physical health and how these realms of health influence each other. Students will apply principles of health and wellness to their own lives. In addition, they will study behavior change and set goals to work on throughout the semester. Other topics of study include substance abuse, safety and injury prevention, environmental health, and consumer health. ***This online course is offered via ASU Prep Digital. While coursework is completed asynchronously, students must complete two synchronous discussion based***

assessments and one semester exam.

WORLD HISTORY A ONLINE (Semester 1) Term: ASU1 or ASU2 Period: AM1-AM2 KS07015
Term: ASU1 **June 5 - June 28** Tuition: \$200.00

Term: ASU2 **July 3 - July 26**

For students entering grades 10-12. Online (0.5 credit)

NOTE: Students must complete both World History A & B Online within one calendar year to earn 1.0 credit of KS social studies graduation requirement.

WORLD HISTORY B ONLINE (Semester 2) Term: ASU2 Period: AM1-AM2 KS07016
Term: ASU2 **July 3 - July 26** Tuition: \$200.00

For students entering grades 10-12. Online. (0.5 credit)

Prerequisite: Completion of World History A Online

NOTE: Students must complete both World History A & B Online within one calendar year to earn 1.0 credit of KS social studies graduation requirement.

In World History, Semester A, students will explore major historical events around the world. In the first unit, students will develop their historical thinking skills. In the second and third units, students will learn about the major religions and classical civilizations of several regions around the world. In the fourth unit, students will examine the origins and developments of European exploration. In the fifth unit, students will learn about the causes and effects of the Renaissance and the Reformation. In the sixth unit, students will explore revolutions that occurred from 1789 to 1848, including the Scientific Revolution, the American Revolution, and the French Revolution.

In World History, Semester B, you'll explore major historical events around the world. In the first unit, students will explore the causes and effects of the Industrial Revolution, the spread of nationalism in Europe, and the Russian Revolution. In the second unit, students will analyze imperialism in the late nineteenth and early twentieth centuries and examine the causes and consequences of World War I. In the third unit, students will study World War II, analyzing the factors that started the war and the impact of the war. In the fourth unit, students will explore the rise and fall of communism in the Soviet Union and China and learn about the Cold War between the United States and the Soviet Union. In the fifth unit, students will analyze the effects of decolonization in Southeast Asia and Africa. Students will also study the modernization of China and the rise of nationalism in the Middle East. In the last unit, students will explore economic globalization and evaluate the benefits and challenges of living in the modern world.

This online course is offered via ASU Prep Digital. While coursework is completed asynchronously, students must complete two synchronous discussion based assessments and one semester exam per segment.

GLOBAL ONLINE ACADEMY (GOA) ONLINE COURSES

MEDICAL PROBLEM SOLVING 1 ONLINE Term: GOA Period: AM1-AM2 KS07006 Tuition: \$200.00
Term: GOA June 17 - August 2

For students entering grades 10-12. Online. (0.5 credit)

Prerequisite: Completion of Biology or Honors Biology.

Note: Students must complete both Medical Problem Solving 1 & 2 Online within one calendar year to earn 1.0 credit of KS science graduation requirement.

In this course students collaboratively solve medical mystery cases, similar to the approach used in many medical schools. Students enhance their critical thinking skills as they examine data, draw conclusions, diagnose, and treat patients. Students use problem-solving techniques in order to understand and appreciate relevant medical/biological facts as they confront the principles and practices of medicine. Students explore anatomy and physiology pertaining to medical scenarios and gain an understanding of the disease process, demographics of disease, and pharmacology. Additional learning experiences include studying current issues in health and medicine, building a community-service action plan, interviewing a patient, and creating a new mystery case. ***This online course is offered via GOA and has BOTH asynchronous and synchronous components. Students will need to attend Zoom discussions and or presentations (not held daily).***

OFF-CYCLE OFFERINGS

BEGINNER CYBER CAMP

For students entering grades 7-12

Tuition: FREE

In-person: 8:00a – 12:00p

ADVANCED CYBER CAMP

For students entering grades 7-12

Tuition: FREE

In-person: 1:00p – 5:00p

Prerequisite: Student must have attended the Beginner Cyber Camp course.

Note: This course will only meet the week of July 24-28, 2024. To register for this course, please contact kapalamasummerschool@ksbe.edu.

The AFA CyberCamp program is designed to excite students new to cybersecurity about STEM career opportunities and teach them important cyber defense skills through hands-on instruction and activities. Through the camp, students will learn how to protect their personal devices and information from outside threats, as well as how to harden entire networks running Windows 10 and Ubuntu operating systems. The AFA CyberCamp will culminate in an exciting final team competition that simulates real cybersecurity situations faced by industry professionals and mimics AFA's CyberPatriot National Youth Cyber Defense Competition.
